

# Flower Camping le Clot du Jay

Hydroalcoholic gel will be at your disposal at the reception and at the entrance of the swimming pool and soap in the toilets.

## Wash your hands very often

Virucidal disinfectant will be available in the toilets and the swimming pool to carry out additional disinfection if you wish.

## Regular disinfection

The distance of 1m is recommended throughout the campsite. The snack bar tables will respect this rule.

## Distancing

Access to the reception will be limited to 1 person. A plexiglass is in place, hydroalcoholic gel is available. The contact surfaces will be disinfected after each use.

## Reception

## Flower Safe +

Your well-being our priority !

Here are the steps we have taken to keep your vacation safe

Don't hesitate to contact us by email for questions.

Christelle et Ludovic Aubry

## Rentals

Your rentals are disinfected with a virucide after careful cleaning and long ventilation. An SMS will be sent to you when you can enter your accommodation.

## Sanitaries

Soap will be available as well as disinfectant if you wish for the sanitary facilities. They will be cleaned and disinfected twice a day (morning and afternoon).

## Swimming pool

Hydroalcoholic gel will be at your disposal as well as disinfectant for chairs and deckchairs. The distancing must be respected. Chlorinated water destroys the virus
